Donate

Yeah.
You can do it if you feel so.
If not, I also agree with you. You don't need to do it.

You can donate me if you want to help our Mother Earth or me as I am maybe the spirit who has connection to our Mother Earth and Father in Heaven.

You are walking in your Way,
but My Way goes to another direction.
If I manage to pay all my loans (ca 113 ooo€ needs to be paid yet) I will go walking or biking or ... to see You and other people around the world to find my real soulmate.

Avery Watts - "Our World" (Album Version) - Song with Lyrics
