I am

```
I am, you are, we ...
```

Well we all are here in *this realm*, arent we?
But my hope here is that we all can survive also, as long the time allows, or *the governments* or *the leaders of the material world* allow ?

But what can we do against them, usually nothing, because they have the “power” in this material world. But we can be happy as well, because there is also the “spiritual world” around us. And they cant escape from there as well.
The *KARMA* takes them and us also, when the *Time is right*. But the time is always right, some *God's* also, I think. But some *God's* may be corrupted with *demonlike spirits* . . .

What to Do? Or To be or not to be - “tobe” in estonian is *fool*.
