Music

Well I like *music*, to hear it and also to create it.

Creating

Instruments

I have played several musical instruments in brass band: started with trombone, then played some time baritone and then the *big one* tuba, which I learned in *Salme kultuuripalee*.

In 1985 in school band I started to play myself also saxophones. I studied the playing for myself, so mostly I have *self leaner* on it. In TTÜ university brass band I played mostly tenor saxophones but also when was needed the baritone saxophone.

Singing

I have always liked singing during my life.

I have sung “Tenor” voice in several choirs. In Tallinn 12 and 15 vocational high school choir during years 1985 ...1988
in Tallinn Technical University Male Choir 1989 ... 1991/2 - second tenor
in 1994 to 199x ... 200x Kuldaja lauluselts
in 2007 to 201x Keila Segakoor...
in 2022...2023 ... Pühavaimu kiriku segakoor
