Microsoft SharePoint

How we can “share our viewpoint's”, ...

```
I like to "organize information", so the essential info is always available when it is needed.
```

At the moment my favorite “tool” for organizing *my information here* is the DokuWiki engine, that you can see here

I have been a SharePoint specialist and developer in “previous years” during my life. I have used differemt SharePoint platforms (2008, 2010, 2013, 2016 and also the SharePoint 365)-

I have also some diplomas about passing different SharePoint trainings during previous years.
